Hello,

I intended to return a call from you (or at least your phone number). If you didn't call me first, then I'm sorry for any inconvenience from this end.

Hi Brent,

I think you left me a voice message yesterday. You didn't leave a name or number so I can't be sure, but I think it was you.

Feel free to call me today. I will be in the office.

Thanks,

Lindsay Seeger
